Izbor iz savremene crnogorske likovne scene

MALI FORMAT – SLIKE, CRTEŽI, OBJEKTI

Kolektivna umjetnička izložba „Mali format – slike, crteži, objekti”, prvi put organizovana je 2009. godine iz potrebe da se kulturna slika grada tokom turističke sezone upotpuni i obogati segmentom koji se odnosi na aktuelni trenutak u crnogorskom likovnom stvaralaštvu, a s druge strane, da se afirmiše rad akademskih likovnih umjetnika mlađe i srednje generacije. Vremenom, koncept je lišen generacijskog ograničenja, ali su prilikom izbora učesnika, na snazi ostali svi ostali kriterijumi: visoki umjetnički dometi, komplementarnost sa savremenim globalnim tendencijama u likovnoj umjetnosti, poetička raznolikost, te raznovrsnost tehnika i materijala u manjem formatu. Iz godine u godinu, u Ljubišinoj rodnoj kući svoje radove predstavilo bi dvadesetak savremenih crnogorskih umjetnika, a u skladu sa zadatim okvirom, autori su se izmjenjivali, pa je kroz ovu izložbu prezentovan rad više od pedeset likovnih stvaralaca. Svakako, ovaj prilog razumijevanju i afirmaciji crnogorske likovne scene ne bi mogao zaživjeti da nije pozitivne reakcije sve brojnije publike, laičke i stručne. Na ovogodišnjem, desetom izdanju izložbe, radove će predstaviti umjetnici: Krsto Andrijašević, Tijana Dujović Liščević, Sanja Raonić, Ratko Odalović, Svetlana Dragojević, Sandra Đurbuzović, Miroslav – Miro Šuković, Rajko Sušić, Ilija Brankov Burić, Dijana Lazović, Bogdan V. Musović, Sreten Nikčević, Nada Kažić, Vlatka Vujošević, Marica Kuznjecov Boljević, Petar Vujošević, Vaso Nikčević, Ivanka – Vana Prelević, Biljana Keković, Bojana Popović i Đorđije – Bato Boljević.

SMALL FORMAT ARTS – PAINTINGS, DRAWINGS, OBJECTS

The group exhibition Small Format Art – Paintings, Drawings, Objects was for the first time organized in 2009 from the necessity to complement and enrich the cultural scene of Budva during the summer season with the segment relating the current Montenegrin fine arts, and on the other hand to affirm the work of academic fine artists of the middle and younger generation. Over time, the concept has been deprived of the generational confines but all the other criteria still remain: high artistic qualities, the complementarity with the global tendencies in fine arts, poetical diversity, and variety of media in the smaller format. In the Ljubiša's birth house year by year about twenty contemporary Montenegrin fine artists displayed their works, and according to the set principles they switched so more than fifty authors participated in the exhibition. Undoubtedly, this contribution to the understanding and affirmation of the Montenegrin fine arts scene have taken root thanks to the positive response of the numerous public, art lovers and professionals. In the tenth edition of the display the participants are: Krsto Andrijašević, Tijana Dujović Liščević, Sanja Raonić, Ratko Odalović, Svetlana Dragojević, Sandra Djurbuzović, Miroslav Miro Šuković, Rajko Sušić, Ilija Brankov Burić, Dijana Lazović, Bogdan V. Musović, Sreten Nikčević, Nada Kažić, Vlatka Vujošević, Marica Kuznjecov Boljević, Petar Vujošević, Vaso Nikčević, Ivanka Vana Prelević, Biljana Keković, Bojana Popović and Djordjije Bato Boljević.
